Re: *Adams et al. v. United States of America*, No. 19 Civ. 10480 (OTW) (S.D.N.Y.)

Dear Judge Aaron:

This Office represents the United States of America (the "Government") in the above-referenced medical malpractice action. I write to respectfully request a one-month adjournment of the upcoming settlement conference in this matter from June 18, 2021, until a date in the week of July 19, 2021, or any other date that is convenient to the Court. This extension will allow the Government to complete the process of seeking settlement authority, which will ensure that the settlement conference is as productive as possible. Both plaintiff and the defendants in the related state-court action, *Adams v. Pilarte*, Index No. 310425/2011E (N.Y. Sup.), who will be participating in this settlement conference, have consented to this request, which is the Government's first.

Thank you for your consideration of this matter.

Respectfully,

AUDREY STRAUSS
United States Attorney
